Wall-mounted Lift Stand EST04

Static but not stuck.

Needing the security of a static wall mount while incorporating the freedom to adjust to any height.

The height adjustable wall mount bracket EST04 allows you move the panel up and down the mounting to your preferred height, while remaining securely fixed to the wall.

Adjust the Height Freely

Safety Lock to Prevent the Interactive Flat Panel from flipping

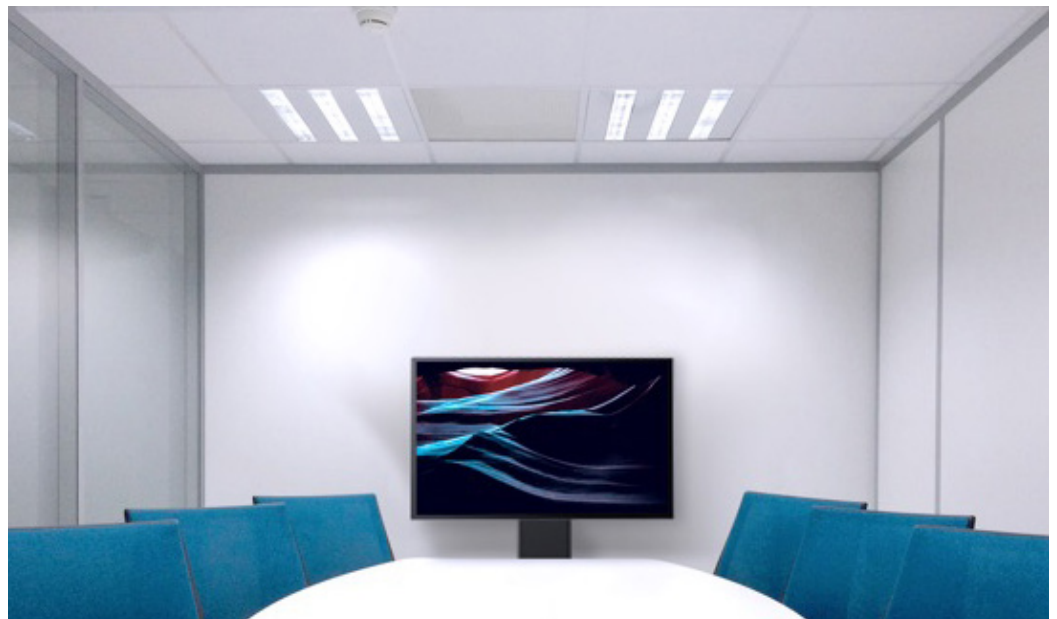

Easy Installation onto the Wall

Apart from electrically adjustable height, EST04 features simple installation onto the wall.

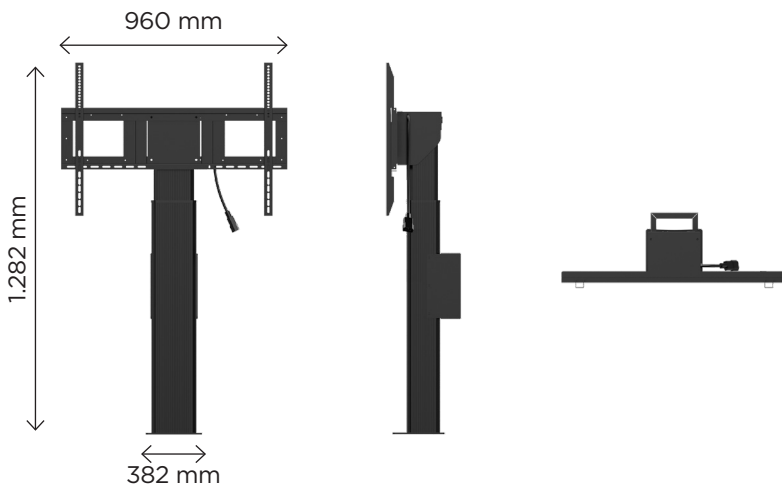

Suitable for a Variety of Venues

Wall mount and adjust the height of your tutortouch panel for the best viewing experience for your audience in large spaces.
